USACTIONSPO RTS.COM

WELCOME TO ACTION SPORTS CENTER

OHIO'S PREMIERE BASEBALL COMPLEX

It is and always will be our goal to provide the best sports fields in the Dayton area. We want all kids to have a memorable experience at our park!

We do what we do to create an enjoyable weekend experience for every player and family visiting our park!

GENERAL LEAGUE RULES

Format

Each age bracket is structured to ensure the game minimums are met as well as providing a challenging and competitive event. In certain age groups, modifications to that format may take place to help determine a winner. Depending on age group size, straight pool play may be used to determine the winner or elimination play, whichever makes the most sense for the event. Please check your respective age group schedule and brackets to see how your specific event is structured. Those items would have been sent in a separate document but are also available on our website at play.usactionsports.com

The exact format of the league, e.g., number of pools, number of teams in each pool, etc., will be set by the League Director and can be modified at any time in order to facilitate league play.

Awards

In each age division, there will be 1st and 2nd place individual awards for teams that win year end tournament. Only 1st place individual awards will be given for regular season league play.

GENERAL LEAGUE RULES

League rules are covered below. Rules not specifically outlined below are covered by USSSA Rules.

- All players must be fully uniformed, which includes the following: Pants, socks, cap, and team shirt with numbers.
- Managers and coaches must wear a baseball cap and will be properly dressed. (Coaches may wear coaching shorts).
- Protest of uniforms will not be allowed. It shall be the League Director's responsibility regarding uniform legality.
- A full-use batting helmet which covers the top and back of the head and the side of the face must be worn by every player while in the on-deck circle, when at bat and while on the bases.
- All bat boys/girls will wear full-use batting helmets when their team is at bat.
- The catcher must wear protective gear: Mask, chest protector, shin guards, protective cup & catcher's helmet.
- 2-piece catchers masks are allowed at Action Sports.
- Metal spikes are prohibited for all age divisions.
- Game time is forfeit time. Please have your team warmed up and ready to play. Forfeits will be a 9-0 loss. If both teams are present and willing to start early, this is allowed. 8 players must be present to start a game.
- No BP before games on any of the fields.
- Pool play games will be seven (7) innings for 13U/14U & (6) innings for 12 & under (no new inning to start after 1hr40min). Tied pool play games that exceed the time limit are declared a tie. (8U no new inning after 1hr15min)

GENERAL LEAGUE RULES

- In bracket play, leading to the championship game, a time limit will be enforced with no new inning starting after 1:40 min. In the event of a tie at the end of regulation time, if further play is required to determine a winner, bases will be loaded with the last 3 batters in the order and 1 out. Play continues in such fashion until a winner is determined.
- A new inning is designated by the first pitch of the inning. If the umpire deems that a new inning cannot start (with proper pitcher warm up) within the 1hr40 min, the final decision belongs to the field official
- Championship games are continued until there's a winner. No time limit on championship games
- Courtesy runner for the catcher or pitcher at any time at coach's discretion. The courtesy runner must be a player not currently in the lineup. If roster batting, use last recorded out.
- \$250.00 cash non-refundable protest fee. Protest decided on the field by umpire and tournament director. The request for protest must be made at the time of contention on the field. A protest cannot be made after play has resumed.
- During pool play home team will be determined by coin flip. Higher seed will be home team in elimination play. In tournament play, the higher seed is always the home team. In the case of two teams from different pods facing one another in elimination and both being of equal seeds playing out of their respective pods, record shall determine seeding. If records are equal a coin flip shall determine home team.

GENERAL LEAGUE RULES

- Home team is responsible for official score book
- Once your rosters are submitted prior to the event and the event has started, only 8 additional players may be added during the season. Maximum roster size 20 players
Final rosters will be submitted by June 1st.
- Players may not play on 2 rosters within the same age division.
- A player MAY be on 2 rosters but must play up in age. (example; a 12U player may play on a 13U team as well) Players are only eligible to pitch for 1 age division per week. If a player pitches for 2 different teams in the same week, the second game pitched will be considered a forfeit.

9U – Rules Addendum

- The dropped 3rd strike rule will not apply for the 9U age division. If the batter strikes out and the catcher drops the ball, that batter is out. Any runners on base can move freely on a dropped 3rd strike.

8U COACH PITCH SPECIFIC RULES

- Ten fielders will be used. Normal positions with four outfielders. Outfielders must be approximately an equal distance from home plate; this means no “short fielders”. Outfielders must have both feet in the grass – (if applicable and depending on the field of play)
- One coach is allowed in the outfield when his/her team is on defense. The defensive coach should be positioned behind the outfielders.
- The fielding pitchers must be within 5’ of the pitching rubber until the ball is pitched. The fielding pitcher may stand to the right, left, or behind the mound, but not in front of the designated pitcher.
- The designated pitcher will pitch overhand from the pitching rubber. The designated pitcher MUST make every effort to leave the playing field immediately after the ball is hit. The designated pitcher will use caution NOT TO INTERFERE with the ball, fielders, and runner, and will remain off the field until play is stopped. If the designated pitcher interferes with the play, all runners will return to the last base they were at. The designated pitcher shall refrain from coaching the runners; this is the responsibility of the base coaches.
- No new inning shall start after 1 hr 15 minutes.
- Ten fielders will be used. Normal positions with four outfielders. Outfielders must be approximately an equal distance from home plate; this means no “short fielders”. Outfielders must have both feet in the grass – (if applicable and depending on the field of play)

8U COACH PITCH SPECIFIC RULES

- 8U There will be no more than seven pitches to the batter. If the ball is not put into play on one of those pitches, the batter will be called out, with the following EXCEPTIONS:
 - A foul ball (unless caught) on the third strike, if it is also the 7th pitch, will not be counted as part of the seven pitches.
 - If a batted ball hits the designated pitcher, it shall be ruled a DEAD BALL; no pitch, no strike.
- No walks
- The infield fly rule is NOT in effect
- Batter cannot run on dropped third strike
- No bunting. If the umpire judges that the batter bunted or attempted to bunt, the pitch is counted as a strike.
- A base runner will be called out if they leave the base before the ball crosses the plate. This will not affect any other play that is being made on the batted ball.
- No stealing.
- Play is stopped when the ball is in control of an infielder and the lead runner has been stopped. Coaches, please don't send runners if the infielder is in control of the ball. If you wouldn't send a runner at a higher age level, then don't send him at this level. We are trying to teach them how to play the game correctly. Infielders can request time, but ONLY the umpire can call time.
- A half inning shall consist of three (3) outs or eight (8) runs, whichever comes first.

8U COACH PITCH SPECIFIC RULES

- The last inning (6th inning) shall be unlimited runs. If the time is about to expire and it is not the 6th inning, both coaches and umpire must establish the current inning as the last inning in order for it to be eligible for unlimited runs. If not established, we will adhere by the 8 run limit.

BAT RULES/MERCY RULE

BAT RULES

- All bats for age divisions 14U and younger must be permanently stamped with the new USSSA 1.15 BPF Mark or BBCOR.50 Certified Mark or made of wood and manufactured by a licensed USSSA manufacturer.
- All 13U players must use a maximum drop 8 (-8) bat with the official USSSA 1.15 BPF Mark permanently stamped.
- All 14u players must use a maximum drop 5 (-5) bat with the official USSSA 1.15 BPF Mark Permanently stamped.

Run Rule

The game shall be terminated in all games, including championship games that the spread reaches:

- 20 runs after 1 innings; 15 runs after 2 innings; 12 runs after 3 innings; 10 runs after 4 innings; 8 runs after 5 innings
- 8U run rules will be 12 after 3 innings, 10 after 4 innings & 8 after 5 innings.
- If home team is up and run rule has occurred, the game would be considered complete
- If run rule occurs, that score will be reported to the league director and will be the official score for that game

PITCHING RULES

Pitching Requirements

It is important for each league to set workload limits for their pitchers to limit the likelihood of pitching with fatigue. Research has shown that pitch counts are the most accurate and effective means of doing so. See required limitations below.

- If a pitcher gets to the maximum, they may finish that specific batter.
- If an ineligible pitcher is caught pitching without proper rest or has gone over the limit. That game will be a forfeit for that team.

Age	Daily Max (Pitches in Game)	0 Days Rest	1 Days Rest	2 Days Rest	3 Days Rest	4 Days Rest
9-10	65	1-20	21-35	36-50	51-60	66+
11-12	75	1-20	21-35	36-50	51-65	66+
13-14	85	1-20	21-35	36-50	51-65	66+

TIE BREAKER/BATTING ORDER

Tie Breaker

The following rules will determine how teams will advance out of their pool or determine round robin champion if applicable:

- Win-Loss
- Head to Head
- Fewest Runs Allowed
- Highest Run Scored
- Coin Flip

Note: Head to head will be used in cases where everyone has played one another in a pool or in the case where head to head clearly defines a tie break situation. If more than 2 teams are involved in a tie break, and not everyone has played one another, fewest runs allowed will be used to break a tie. In a case where not all teams have played the same amount of games final seedings will be determined by a point system. 1 point for a win & ½ point for a loss.

Extra Hitter, Designated Hitter, Roster Batting

Roster batting is optional. You may bat 9, use an EH and/or a DH. Free defensive substitutions if you bat roster. You must declare what you are doing during umpire instructions.

TIE BREAKER/BATTING ORDER

An extra hitter (EH) will be allowed. This will give a team a 10-player line-up that must be declared before the start of the game and used the remainder of the game. The player in the EH position, while not actually playing a defensive position, will be treated as though they are for substitution purposes. The re-entry rule applies for the EH.

A Designated Hitter will be allowed, but if removed from the game, cannot re-enter.

A team may start a game with 8 players but must take an out in the event the 9th player does not show in time for his scheduled at bat. Every time that player's spot comes up in the order and it is vacant, an out must be taken. If a 9th player does arrive, the team may insert that player into the lineup. That lineup spot must be last in the batting order.

If a team starts with 9 but is unable to continue a lineup utilizing more than 9 players due to injury or illness, that slot in the batting order will be an out.

Designated Hitter Playing Rules

The DH can bat for any defensive player (not just the pitcher, as in some leagues).

The DH would normally bat for one player and any of that player's substitutes on defense for the original player.

The DH must be listed next to or under the player he is batting for in the lineup.

TIE BREAKER/BATTING ORDER

The DH and the player he is batting for are both locked into the same batting slot; neither of these two players can ever bat in another batting position.

If the DH enters the game on defense, the player he was batting for must come out of the game.

A replaced DH can re-enter the game one time since he was considered a starter. The defensive player being hit for can also re-enter the game one time if subbed for. Both must always stay in the same batting spot.

The DH role for a team is terminated for the rest of the game if:

A replaced DH re-enters the game on defense (the acting DH is disqualified from further participation.)

The player for whom the DH was batting pinch hits or pinch runs for the DH.

The DH assumes a defensive position.

BASE RUNNER

The Base Runner

- Whenever a tag play is evident, a runner must slide or seek to avoid contact with the fielder and / or catcher. Malicious contact shall supersede all obstruction penalties. Malicious contact is solely up to the discretion of the Umpire.
 - The runner shall be called out and may be ejected from the game at the discretion of the Umpires
- A runner who jumps over a player will be called out whether or not contact is made with the defensive player
- A dead ball appeal can be appealed directly to the umpire, without the Pitcher throwing to the appealed base. Only one dead ball appeal is allowed on any play
- Feinting/Faking a bunt and swinging away is allowed in all ages 9 and up
